MALLORCA - RAFA NADAL ACADEMY

## MY ONLY WAY OF UNDERSTANDING TENNIS

BY RAFA NADAL

I started playing tennis as a child in Manacor, on the island of Mallorca. Since then, tennis has been much more than a sport for me. It has been a school of life. After many years competing around the world, I have realized that the true value of success is not only in trophies or titles, but in the discipline, humility, and respect that have accompanied me throughout my career.

One of my greatest purposes is to share these values with the new generations. Through the Rafa Nadal Academy, we work every day to educate young athletes not only to become better players but better people. We teach them to value effort, to understand teamwork even in an individual sport, and to maintain respect for themselves, their opponents, and the game.

It is an international project that brings together students from all over the world, combining education and sport as two pillars of personal development. We believe that high performance is compatible with humanity, that competition can go hand in hand with kindness, and that every training session is also a life lesson.

This summer, the Rafa Nadal Academy will open its doors to all children aged 6 to 10 years who want to enjoy a unique experience in Mallorca.

At the Summer Tennis Camp Kids, young tennis players will improve their technique and on-court skills, while enjoying sports and fun activities at one of the best sports centers in the world.

This camp will be a unique opportunity where tennis, fun, leisure, and values come together, bringing children from all over the world together in one campus.

The program will run from June 1 to August 24, 2025, with the option to choose one or more weeks of camp.

Participants enrolled in the Summer Tennis Camp Kids must stay at the Rafa Nadal Residence with their parents or guardians. To accommodate this, we offer special packages that include sports programs for adults and family activities.
