MY ONLY WAY OF UNDERSTANDING TENNIS

BY RAFA NADAL

I started playing tennis as a child in Manacor, on the island of Mallorca. Since then, tennis has been much more than a sport for me. It has been a school of life. After many years competing around the world, I have realized that the true value of success is not only in trophies or titles, but in the discipline, humility, and respect that have accompanied me throughout my career.

One of my greatest purposes is to share these values with the new generations. Through the Rafa Nadal Academy, we work every day to educate young athletes not only to become better players but better people. We teach them to value effort, to understand teamwork even in an individual sport, and to maintain respect for themselves, their opponents, and the game.

It is an international project that brings together students from all over the world, combining education and sport as two pillars of personal development. We believe that high performance is compatible with humanity, that competition can go hand in hand with kindness, and that every training session is also a life lesson.

DO YOU WANT TO EXPERIENCE A UNIQUE SPORTS AND LANGUAGE IMMERSION?

During this summer, the Rafa Nadal Academy will open its doors to all young people aged 12 to 18 who want to enjoy an unforgettable experience at one of the world's best high-performance sports centers.

Players at the Summer Tennis & Language Camp Junior will improve their technique, physical condition, and on-court skills, while enjoying multiple fun activities in the incomparable setting of Mallorca.

Alongside sports practice, participants will also improve their English and Spanish skills through daily classes taught by the Rafa Nadal School teaching team, a bilingual school located within the Academy's facilities.

This camp also aims to educate attendees through sport with engaging practical activities that are part of the "Building a Champion" program. Through sessions led by Rafa Nadal Academy instructors, young tennis players will receive training in nutrition, physical preparation, and values such as effort, humility, tolerance, patience, respect, and integrity.

The Rafa Nadal Academy Summer Tennis Camp Junior offers a unique opportunity where tennis, fun, leisure, and values come together in a campus environment bringing together young people from all over the world.
